How international is our work?

- Our work is enriched by cooperating with many international institutions, through the Erasmus+ programme, as well as many other programmes and networks (e.g. via the Polish National Agency for Academic Exchange), spanning Europe, the US, and Asia.

- We are also members of various international organisations, such as the Association for Teacher Education in Europe (ATEE). Through these networks we organise and facilitate many events and conferences for students, researchers, and educational professionals around the world.
Why choose our faculty for your Erasmus+ experience?

- We are partnered with a wonderful set of universities around the world.
- We offer a wide range of courses spanning numerous fields.
- Our teaching staff are friendly, innovative, and inspiring.
- Our well-stocked library and new auditorium are among the learning resources you will have access to.
- The University of Białystok campus is beautifully designed, featuring modern buildings and the Andrzej Myrcha University Museum of Nature.
Where is Białystok?

- The capital of the Podlasie region, Białystok is the scientific and cultural centre of this part of the country, fondly known as The Green Lungs of Poland.

- Its unique character has been shaped by the coexistence of many nations, religions, cultures, customs and traditions.

- Białystok has been ranked as a top Polish city to live in!

- Our city is home to around 26,000 students across its four public universities.
What is social life like at the University of Białystok?

- We encourage our students to get involved in extracurricular activities: from the arts to the sciences our faculty has a range of groups where you can meet like-minded people and share your passions!
- The city of Białystok itself offers numerous cafes and pubs where you can enjoy a taste of Podlaskie and Poland.
